Pedestrian control signal - see TRAF. 313.04

371.01 COMPLIANCE WITH TRAFFIC REGULATIONS.

Pedestrians shall be subject to traffic control signals at intersections as provided in Section 313.03, but at all other places pedestrians shall be accorded the privileges and shall be subject to the restrictions stated in this article.

(WVaC 17C-10-1(a))

371.02 RIGHT OF WAY IN CROSSWALK.

(a) When traffic control signals are not in place or not in operation the driver of a vehicle shall yield the right of way, slowing down or stopping if need be to so yield, to a pedestrian crossing the roadway within a crosswalk when the pedestrian is upon the half of the roadway upon which the vehicle is traveling, or when the pedestrian is approaching so closely from the opposite half of the roadway as to be in danger, but no pedestrian shall suddenly leave a curb or other place of safety and walk or run into the path of a vehicle which is so close that it is impossible for the driver to yield. This provision shall not apply under the conditions stated in Section 371.03(b).

(b) Whenever any vehicle is stopped at a marked crosswalk or at any unmarked crosswalk at an intersection to permit a pedestrian to cross the roadway, the driver of any other vehicle approaching from the rear shall not overtake and pass such stopped vehicle.

(WVaC 17C-10-2)

371.03 CROSSING ROADWAY OUTSIDE CROSSWALK.

(a) Every pedestrian crossing a roadway at any point other than within a marked crosswalk or within an unmarked crosswalk at an intersection shall yield the right of way to all vehicles upon the roadway.

(b) Any pedestrian crossing a roadway at a point where a pedestrian tunnel or overhead pedestrian crossing has been provided shall yield the right of way to all vehicles upon the roadway.

(c) Between adjacent intersections at which traffic control signals are in operation pedestrians shall not cross at any place except in a marked crosswalk.

(WVaC 17C-10-3)

371.04 DRIVERS TO EXERCISE DUE CARE.

Notwithstanding any other provision of this article every driver of a vehicle shall exercise due care to avoid colliding with any pedestrian upon any roadway and shall give warning by sounding the horn when necessary and shall exercise proper precaution upon observing any child or any confused or incapacitated person upon a roadway.

(WVaC 17C-10-4)

371.05 MOVING UPON RIGHT HALF OF CROSSWALK.

Pedestrians shall move, whenever practicable, upon the right half of crosswalks.

(WVaC 17C-10-5)

371.06 WALKING ALONG STREETS AND HIGHWAYS; SOLICITING RIDES.

(a) Where sidewalks are provided, no pedestrian shall walk along and upon an adjacent roadway.

(b) Where sidewalks are not provided any pedestrian walking along and upon a street or highway shall when practicable walk only on the left side of the roadway or its shoulder facing traffic which may approach from the opposite direction.

(c) No person shall stand in a roadway for the purpose of soliciting a ride from the driver of any vehicle.

(WVaC 17C-10-6)

371.07 PERSONS WORKING ON STREETS AND HIGHWAYS.

The driver of a vehicle shall yield the right of way to persons engaged in maintenance or construction work on a street or highway whenever he is notified of their presence by an official traffic control device or flagman.

(WVaC 17C-10-8)

371.08 PROTECTION OF BLIND PEDESTRIANS.

The driver of a vehicle approaching a blind pedestrian who knows, or in the exercise of reasonable care should know, that such pedestrian is blind because such pedestrian is carrying a cane predominantly white or metallic in color with or without a red tip, or is using a guide dog or otherwise, shall exercise care commensurate with the situation to avoid injuring such pedestrian.

(WVaC 5-15-5)

371.99 PENALTY.

Whoever violates any provision of this article shall be fined not more than one hundred dollars (\$100.00); upon a second conviction within one year thereafter shall be fined not more than two hundred dollars (\$200.00); and upon a third or subsequent conviction, shall be fined not more than five hundred dollars (\$500.00).

(WVaC 17C-10-7)
