

ORDINANCE REPEALING THE "ORDINANCE ENACTING
THE MUNICIPAL BUILDING COMMISSION FOR THE
CORPORATION OF BOLIVAR, WEST VIRGINIA"

By Ordinance enacted on September 26, 1995 the Corporation of Bolivar created the "Corporation of Bolivar Municipal Building Commission, Inc.," a municipal building commission having the plenary power and authority to do those acts permitted by West Virginia Code Chapter 8, Article 33, *et seq.*

Now, twenty years later, the Commission has informed the Council that it's duly appointed members, at a regular meeting with a quorum present, have voted to dissolve the Commission and transfer such assets as are remaining to the Corporation of Bolivar as the Commission has no remaining public purpose for its continued existence.

Upon consideration of the foregoing, the Corporation of Bolivar hereby accepts the transfer of the Commission's assets and repeals the "Ordinance Enacting the Municipal Building Commission for the Corporation of Bolivar, West Virginia."
