From the Mayor's desk

I want to take this opportunity to thank everyone that participated in the county's Frosty Fest event.

It was a huge success, county wide and will be held again next year. We will be reaching out for ideas for our town's participation next January. The town council approved a funding request from the Trail & Town Alliance for improvements to "woodpecker trail".

This trail is located at the back of Bolivar and Harpers Ferry. We hope our residents get out and enjoy this new addition to both our towns. Mark your calendar for May 20th for the Harpers Ferry Half marathon. The runners will pass thru Bolivar between 8 AM and 10 AM. We will put out another reminder closer to the event to ensure traffic safety for the runners. Our Bolivar Community Survey will be coming out

to each household soon and we will use this survey to prepare our Comprehensive Plan for the next 10 years. It is your opportunity to get your ideas heard and reviewed. Please help us help you by returning your survey to the town when completed. Until next month, enjoy this early Spring and maybe get out and walk the new woodpecker trail.

Your Mayor
Helen Dettmer
